INVESTMENT OBJECTIVE

Carmignac Portfolio Investissement is a global equity UCITS fund with no constraints in terms of sectors, regions, or investment style. The Fund focuses on identifying companies that create value through innovation, technology and/or differentiated product offerings, while maintaining a disciplined approach to valuations. It aims to outperform its reference indicator, the MSCI AC World, over a recommended investment horizon of five years. The Fund promotes environmental and social characteristics, notably in investing at least 50% of its net assets in sustainable investments based on the framework of the United Nations Sustainable Development Goals (SDGs).
