Portfolio Advisor **Kevin Thozet** talks to our Chief Economist **Raphaël Gallardo** about his global scenario for the upcoming months, highlighting the disappointment of China's post-Covid recovery and the surprising resilience of the US economy.

“Regarding cyclical factors, we can say the inflationary spiral from 2022 is over, but we haven’t yet reached the 2% target. Regarding structural factors, we’re entering an era where inflation will be structurally higher.”

- Raphaël Gallardo, Chief Economist

Long live August!

The biggest surprise in recent quarters has certainly been the resilience of the US economy
